

Siblings Leadership Network Committees

Contact Katie.Arnold@siblingsleadership.org to get involved!

Research: Increase awareness of including siblings of people with disabilities in research. The Research Committee is responsible for:

- ❖ Compiling, synthesizing, and disseminating research on siblings of people with disabilities
- ❖ Identifying research gaps and advocating to increase the amount and quality of research on siblings of people with disabilities
- ❖ Managing research content on SLN website
- ❖ Developing a best-practice guide for research on siblings of people with disabilities

Services and Supports: Increase awareness of services and supports for siblings of people with disabilities across the Lifespan. The Services and Supports Committee is responsible for:

- ❖ Advocating for increased and enhanced services and supports for siblings of people with disabilities, especially in regards to the discrepancies between states and their service systems
- ❖ Compiling and disseminating information on current services and supports that include and target siblings
- ❖ Managing services and supports content on SLN website

Policy and Advocacy: Make policy recommendations to the SLN Board and coordinate local and chapter advocacy efforts. The Policy and Advocacy Committee is responsible for:

- ❖ Working with Communications and Network Development Chairs to communicate sibling policy and advocacy efforts among the SLN and the wider community
- ❖ Encouraging a forum for dialogue on policy, advocacy and decision making
- ❖ Managing policy and advocacy content on SLN website
- ❖ Joining with organizational partners to move valued policy forward

Communications: Coordinate the "marketing message" of the SLN outside of the network. The Communications Committee is responsible for:

- ❖ Soliciting and responding to SLN-related media inquiries
- ❖ Developing and coordinating public education messages throughout the network
- ❖ Promoting and marketing the SLN messages and image
- ❖ Supervising production of newsletter
- ❖ Overseeing website maintenance and development

Chapter Development: Manage and guide the internal affairs of the SLN, with a focus on strengthening and supporting existing and future chapters. The Chapter Development Committee is responsible for:

- ❖ Maintaining existing communication tools between state and local chapters and develop new tools to facilitate increased support across chapters
- ❖ Promoting chapter outreach and development at all levels
- ❖ Representing siblings' voices at the state and local level

Get involved!

We welcome **everyone's** involvement in the SLN. Whether you are a sibling, family member, self-advocate, professional or sibling supporter, we invite you to be a part of a growing movement that aims to **advocate, support and disseminate valuable information** for siblings of persons with disabilities and their families.
